Nestled in northern Nicaragua, Rivera Family Farms is proud to continue a rich tradition of coffee cultivation spanning three generations. Their commitment to quality is reflected in every cup, showcasing the exceptional flavor and craftsmanship that define their coffee. With each harvest, they strive to deliver an outstanding coffee experience that honors their dedication and hard work. They invite you to savor their unique coffee profile and celebrate the passion behind every brew.

SHG (Strictly High Grown), accounts for beans that are cultivated at altitudes of 1,300 M and above. This results in a slower maturation process that enhances flavor complexity.

EP (European Preparation), represents beans that are screen size 15+ and meticulously sorted and cleaned to ensure coffee is free from defects and impurities.
